satisfaction rate

**EXPERTISE**  
8 billion personalised  
experiences annually

**BACKED BY THE EXPERTS**  
Gartner, Forrester,  
and Aspire

# Powerful Performance with a Compact Design

The iX-3 Series offers small offices the most pragmatic choice for delivering effortless mailing and shipping operations. Don't let this compact design fool you – the iX-3 is extremely powerful. Coupled with S.M.A.R.T. this complete suite offers a one-stop approach to processing, tracking, reporting and reconciling postage expenses for mail and parcels.

## 6. Royal Mail MailMark

Access Royal Mail Mailmark franking discounts up to nearly 29% versus stamps. Save time calculating the right postage. Re-credit your postage meter and manage your account from your desk.

## 1. Weighing Platform

Standard 3kg. integrated scale handles postcards, envelopes and small packages with ease. Optional 5, 10 and 35kg platforms available.

## 2. Catch Tray

From postcards up to C5 envelopes, the catch tray holds a variety of items.

## 3. Shortcut Keys

Save time and eliminate keystrokes with the iX-3 shortcut keys.

## 4. Moistener

Automatic sealing with an easy-access reservoir ensures a perfect envelope seal.

## 5. Hand Feeder

Smooth powerfeed provides fast batch processing.

## SHIPPING

This best-in-class powerhouse shipping application allows you to process parcels through Royal Mail quickly and easily. All parcels also receive a free confirmation of delivery from Royal Mail.

With S.M.A.R.T. you can:

- View rates and services from one screen. S.M.A.R.T. will automatically **rate shop** to identify the lowest cost or fastest delivery method of processing parcels, saving time and money.
- Assign printing permissions to users outside of the mail centre with **Desktop Print**. Desktop printing provides flexibility within an organisation while decreasing mail centre workload.
- Establish potential cost saving opportunities, decrease the number of work steps to process items, and better organise shipments when using **multi-package shipments**.

## MAILING

Take full control of your iX-3 and create an unparalleled user experience. S.M.A.R.T. takes all the features from a traditional mailing system control panel and applies them to an all-in-one interactive PC.

- Print discounted postage and seal envelopes at **up to 45 letters per minute**.
- Large descriptive buttons and prompts make navigation a breeze.
- The **Rate Wizard** simplifies the process of selecting the correct postal rate and class. With clear step-by-step instructions, the selection process has never been easier.

## ACCOUNTING

S.M.A.R.T. provides users the ability to set up specific accounts, allowing for greater level of reporting granularity.

- Postal account reporting tracks spending, providing the tools you need to stay on top of expenses.
- **Chargeback accounting** lets you bill vendors, customers or departments for mailing/shipping costs and allows you to recoup postage costs that would otherwise slip through the cracks.
- Supports: **Budgets, handling charges** and **surcharges**, as well as an **unlimited** number of **accounts** or **departments**.

## REPORTING

Easily produce informative reports and colour graphs that give you the details you need.

- Generate postage expense reports by: mail class, weight break, presort, ascending and descending register values, account/department, operator, cost centre, pre-defined or custom time periods – and more!
- Set it and forget it – S.M.A.R.T.'s **report scheduler** automatically runs and emails reports to a designated recipient or group based upon user-defined parameters

## TRACKING

Always know when and where your items are with S.M.A.R.T. Tracking.

- Free confirmation of delivery on all parcels at no extra cost. All tracked services ID's are stored for up to **13 months**.
- Keep your customers informed by providing delivery **email alerts** each step of the way.
- Obtain **consolidated views** of your mail centre's activities to better manage mailing and shipping operations.
